Sweet my
GREATEST LOVE

An empty street An empty house
A hole inside heart...
I'm all alone and the room's fire getting smaller
I wonder how I wonder why
I wonder where they are The days we had,
The songs we sang together And oh! my love I'm holding on forever
Reaching for a love...
That seems so far So I say a little prayer, No my dream will take me there. Where the skies are blue To see you once again my love, Overseas from coast to coast find a place I love the most. Where the fields are green
To see you once again, My love! Try to read I go to work, I'm laughing with my friends
But I can't stop to keep myself from thinking
I wonder how I wonder why,
I wonder where they are The days we had,
The songs we sang together, And oh! my love, I'm holding on forever, Reaching for a love, That seems so far
So I say a little prayer, No my dream will take me there. Where the skies are blue to see you, once again my love, Overseas from coast to coast, find a place I love the most, Where the fields are green.
To see you once again...
To hold you in my arms To tell you from my heart. V

Water was recorded. Art Garfunkel's image and signature vocal remain among the most instant recognizable in popular music. His "beautiful countertenor," as Neil Strauss described Art's voice in The New York Times, is clear and resonant, surely one of the finest instruments in all of popular music, and a time-honored friend to a world of listeners. The dialogue began for Art at age four, when his father brought home one of the first wire recorders. "That got me into music more than anything else," he recalls, "singing and being able to record it."

周六 11:20 am

迷迭香和黄油的味道从厨房扑面而来，坐在餐桌上的父子像饿狼一样。准备冲进厨房却被妈妈制止。难得的周末，当然要来一顿牛排大餐啊！

When I wonder how my light is spent
The last day, day in this dark world and wide
And that one hour which is death to me
Lodged with the things through my soul more best

and pressed
being close
light denied?

without rest
and wait.

Sweet memory

GREATEST LOVE

An empty street An empty house
A hole inside heart...
I'm all alone and the room, it's getting smaller
I wonder how I wonder why
I wonder where they are The days we had.
The songs we sang together And oh! my love I'm holding on forever
Reaching for a love
That seems so far! I say a little prayer, No my dream will take me there. Where the skies are blue to see you
once again my love Overseas from coast to coast find a place I love the most. Where the fields are green
To see you once again. My love! Try to read I go to work, I'm laughing with my friends
But I can't stop to keep myself. From thinking
I wonder how I wonder why.
I wonder where they are The days we had.
The songs we sang together. And oh! my love
So I say a little prayer. No my dream will take me there. Where the skies are blue to see you. once again my love
Find a place I love the most. Where the fields are green
To see you once again...
